REPORT OF THE TRUSTEES OF THE JAMES A. TUTTLE LIBRARY

The Trustees report a circulation of 10,634 volumes and the purchase of 430 new books. We wish to remind you that any non-fiction book, not obtainable, may be procured from the State Library by application to our Librarian, Mrs. Henry B. Pratt.

We acknowledge the gift of two magazine subscriptions from the Garden Club and the gift of books from Miss Ruby Allen, Mrs. Wallace Flood, Mrs. Andrew Lane, Dr. Moses Lurie, Mrs. James Moore, Miss Ethel Muzzey, Miss Louise Pierce, Miss Judith Pratt, Miss Edna Ryder, Mrs. George Warren, Mr. Herbert Wilson, and Miss Mabel Wilson. One gift of special interest was made by Mrs. Grace Talmadge, who gave the Library a copy of the Town History of Londonderry, New Hampshire and two volumes of the Town Records of Londonderry. Another fine gift to the Library will be new book shelves to be placed in the Children's Room.

The following organizations have made the Library attractive throughout the year. The Garden Club continues to decorate the Library with plants and flowers. The Chamber of Commerce trimmed the exterior of the building with Christmas lights. The Antrim Art Club, Miss Edna Ryder's Pottery Class, and Mrs. Ralph Little's Art Class arranged attractive exhibits during Art Week.

The summer Story Hour was conducted by Mrs. Donald Dunlap, Miss Jane Pratt, and Miss Barbara Shea.

Book Week was celebrated by an exhibit of book jackets arranged by the Elementary School and a review of children's books given by Mrs. Henry B. Pratt.

Major repairs have been necessary on the library building, the re-building of one of the chimneys, the pruning of the shrubs, and the purchase of a new oil tank.

The most notable change in the Library is the resignation of Mrs. Everett Davis, who has served so faithfully as Librarian for the past twenty-five years. The Library is most fortunate to have the very capable Assistant Librarian, Mrs. Henry B. Pratt, who now in the position of Librarian will continue the splendid tradition of service maintained by Mrs. Davis.

The Trustees hope that you will continue to make all possible use of the Library and we welcome suggestions for new books and reference material.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Antrim:

It is a pleasure to have the opportunity to present my third annual report for your consideration.

For the past two years your committees have been making a serious study of the various methods of overcoming many of the problems with which the high school is faced. These committees have presented you with two reports on their efforts. Now, you the citizens are faced with making the decisions on the future educational opportunities to be given the children of Antrim. It appears to me that in making your decision, serious consideration should be given to the four following areas:

1. Adequacy of school plant:
   A. safety
   B. space
   C. facilities
   D. physical condition of plant
2. Program:
   Can a program be offered to adequately care for the needs of **all** the pupils?
3. Standards:
   Can the school continue to meet the standards set by the State Board of Education?
4. Cost:
   Check the per pupil cost now as compared with other methods of operation.

It will be a difficult decision for the majority of you to make, but I am confident that you will cast your vote with prudence.

There are two budgets being presented this year for your consideration. One to be adopted if the vote is to continue the high school and the other if the vote is to discontinue the high school. You will note that there is considerable difference between the two. I do not believe that the difference in cost should be a major factor in influencing your vote inasmuch as budgets are set up for one year only and as tuition rates increase, which they are bound to do, and enrollment increases, the amount to be raised annually will increase in direct proportion.

Next September it will be necessary to add another member to the elementary school staff as has been planned for several years. It will also entail purchasing of a few more desk and chair units. This will completely utilize the elementary school plant.

Again I am forced to advise you that costs are increasing in all areas of school operation and necessarily must be reflected in the school budget. The burden on the property tax payers becomes increasingly difficult, and until such time as the state legislature assumes a much higher proportion of its responsibility for the education of our youth this burden will continue to exist. However, under the present state tax structure there is no possibility for relief.

The town of Antrim received $1,200.00 in state building aid this past school year and it is anticipated that it will continue to do so during the life of its building bond payments.

Teacher procurement becomes increasingly difficult for many reasons, mainly because not enough people are training to become teachers to fill the vacancies that exist each year. Some communities have already found it necessary to discontinue courses because of the lack of teacher candidates and the situation is becoming more serious each year. There will be legislation presented to the 1957 legislature to increase the Teacher Colleges facilities in an attempt to alleviate this problem.

The interest of the citizens of Antrim in their schools has been most gratifying and much credit for this should probably go to the very active P.T.A. group which continues to do many fine things for the schools. My many thanks to them. My many thanks also to the school study committee, the school board for their interest and hard work on behalf of the schools which has made my school year an interesting and enjoyable one.

Respectfully submitted,
NORMAN R. HARTFIEL
Superintendent of Schools
